Using the Club Recognition Summary (CRS)

Using Foundation Recognition Points to increase contributions to The Rotary Foundation

Foundation Recognition Points (FRP) become available 1:1 for every dollar contributed once an individual's Recognition Amount reaches 1,000. Rotarians and individuals achieve PHF status by contributing US\$1,000 outright, by receiving 1,000 recognition points from others, or through a combination of cash and points that total 1,000.

The number of FRPs a Rotarian can award to others is shown in column **N** of the CRS report. Members can transfer their own FRPs by completing and submitting Form 102 (available for download at www.rotary.org). Club FRPs (shown on the first line of the report) can be transferred by having the Club President complete and submit Form 102.

TIP: Many Rotary Clubs use a matching system to help their members achieve Paul Harris Fellow recognition, and to promote additional support for The Rotary Foundation. To determine if your club is close to achieving 100% Paul Harris Fellow status, review the Recognition Amounts of all Rotarians who are currently listed as active club members (indicated by a "Y" in column **I**). Determine the amount needed to get all members to at least 1,000 as shown in Recognition Amount column **J**. Matching their contribution with Foundation Recognition Points may help you reach or even surpass your club's Annual Programs Fund goal as well as achieve 100% Paul Harris Fellow Recognition for your Rotary Club.

Promoting Annual Programs Fund

Column **P** allows Club Presidents and Club Foundation Chairs to track participation in the Annual Programs Fund. To achieve 100% EREY recognition status for your club, each active member needs to make a contribution to APF/SHARE during the current Rotary Year. Noting the designation of the most recent contribution will help track progress towards our goal of Every Rotarian, Every Year – participation of every Rotarian in our Annual Programs Fund.

Two Needs, Two Ways of Giving – Promoting Benefactors and Permanent Fund support

A "+" symbol in column **G** identifies Benefactors on the CRS report. Benefactors are individuals who have given US\$ 1,000 or more to the Permanent Fund, or who have committed US\$1,000 or more in their will to The Rotary Foundation. Rotarians can become Benefactors by completing and submitting the Benefactor Commitment Card (Form 149, available for download at www.rotary.org).

The investment earning from the Permanent Fund are already having a significant impact in helping fund Foundation programs. Supporting the Permanent Fund is a way to leave a personal legacy with Rotary, and to keep the work of Rotary financially supported for future generations. **In addition to setting an Annual Programs Fund Goal, clubs are also encouraged to set an annual goal for new Benefactors.**
